June 21, 2022

Member Engagement Support

All participants agree to act in good faith in all aspects of this process and do your best to represent the needs of your community. Expectations include:

- Attend as many meetings as possible, your voice matters, notify staff if you have an unavoidable conflict
- Prepare for meetings by reading materials in advance and arriving on time
- Share the air – only one person will speak at a time, and we will allow others to speak once before we speak twice
- Express your own views and opinions, while also sharing your lived experiences and knowledge of the community
- Respect the views and opinions of others
- Challenge ideas rather than people
- Recognize power dynamics
- Seek to understand each other and provide individual recommendations that consider the needs and concerns of the local community and the larger region
- Share your own thoughts and perspectives on the process with people outside the committee but refrain from speaking on behalf of the committee
- Keep multitasking to a minimum and stay present to the topics at hand
